

Join SDIC's participation in BSA's Summer of Service! As a family, as a unit, or as part of a council activity, there are many ways to get involved in the BSA's Summer of Service.

The Summer of Service webpage has a great [FAQ page](#) as well as a [resource page for unit leaders](#).

You can check out in-council service opportunities on the [SDIC Activities & Civic Service](#) webpage or find ideas that are right for you at the [Summer of Service](#) webpage.

Don't forget 

- 1) Log your project's service hours in the Summer of Service [portal](#)
- 2) Log your scouts' service hours in Internet Advancement ([how to log service](#)).
- 3) Tell us about your projects too!! Email the Activities and Civil Service team at acs@sdicbsa.org with pictures and details and we'll do our best to highlight projects from around the Council in the Scouting 360 newsletter.
- 4) Recognize your scouts and parents with special Summer of Service certificates and patches! Print out certificates [here](#) and order patches [here](#).
