## SCOUTING AROUND THE WORLD

Each unit is invited to explore a country and their culture from a different part of the world. After you register, your unit leader will be contacted to choose an available country from the list provided. Units should theme their campsites and gateways (participants can wear attire representative of their country in the afternoon) to earn points and prizes. Choose between these countries...Canada, Australia, Japan, Italy, Spain, Mexico, Brazil, Kenya, Switzerland, Panama, Sweden, Ireland, Scotland, Jamaica, Iceland, France, Germany, Denmark, India, Singapore, Greece, Egypt, Romania, Costa Rica and New Zealand.

Once a country is selected, it will no longer be available - so make sure to register early!
